## VOLLEYBALL NET SETUP (continued)

2. Identify the T-joints corresponding to the installation point "A and B", and remove the T-joint hole cover from the T-joints. Insert the support rod (2) into the T-joint hole (see drawing 2). Repeat this step for the other support rod and T-joint.

3. Spread out the volleyball net (1) and center the net between the two support rods (2). Wrap one of the ropes around the top of the support rod hook and fasten the end of the rope to the hole located at the bottom of the T-joint (see drawing 3). Adjust the rope to be the same length on both sides. Repeat this step with the other side of the net.

## Limited Warranty

Your Volleyball Net has been manufactured using the highest quality materials and workmanship. All Intex products have been inspected and found free of defects prior to leaving the factory. This Limited Warranty applies to the Volleyball Net only.

This limited warranty is in addition to, and not a substitute for, your legal rights and remedies. To the extent that this warranty is inconsistent with any of your legal rights, they take priority. For example, consumer laws across the European Union provide statutory warranty rights in addition to the coverage you receive from this limited warranty: for information on EU-wide consumer laws, please visit the European Consumer Center website at [http://ec.europa.eu/consumers/ecc/contact\\_en/htm](http://ec.europa.eu/consumers/ecc/contact_en/htm).

The provisions of this Limited Warranty apply only to the original purchaser and are not transferable. This Limited Warranty is valid for the period noted below from the latter of the date of the initial retail purchase or delivery. Keep your original sales receipt with this document, as proof of purchase will be required and must accompany warranty claims or the Limited Warranty will be invalid.

Volleyball Net Warranty - 180 days

If you find a manufacturing defect in the Volleyball Net during the warranty period, please contact the appropriate Intex Service Center listed in the separate "Authorized Service Centers" sheet. If the item is returned as directed by the Intex Service Center, the Service Center will inspect the item and determine the validity of the claim. If the item is covered by the provisions of the warranty, the item will be repaired or replaced, with the same or comparable item (at Intex's choice) at no charge to you.

Other than this warranty, and other legal rights in your country, no further warranties are implied. To the extent possibly in your country, in no event shall Intex be liable to you or any third party for direct or consequential damages arising out of the use of your Volleyball Net, or Intex or its agents' and employees' actions (including the manufacture of the product). If your country does not allow the exclusion or limitation of incidental or consequential damages, this limitation or exclusion does not apply to you.

You should note that this limited warranty does not apply in the following circumstances:

- If the Volleyball Net is subject to negligence, abnormal use or application, accident, improper operation, improper maintenance or storage;
- If the Volleyball Net is subject to damage by circumstances beyond Intex's control, including but not limited to, punctures, tears, abrasions, ordinary wear and tear and damage caused by exposure to fire, flood, freezing, rain, or other external environmental forces;
- To parts and components not sold by Intex; and/or
- To unauthorized alterations, repairs or disassembly to the Volleyball Net by anyone other than Intex Service Center personnel.

Read the owner's manual carefully and follow all instructions regarding proper operation and maintenance of your Volleyball Net. Always inspect your product prior to use. This limited warranty will be void if use instructions are not followed.
